Programs and Services

24-HOUR HELPLINE 904.824.1555

Advocates are available 24/7 to talk with domestic and/or sexual abuse survivors, their families and friends.

SAFE, SECURE SHELTER

Our confidential shelter is available 24 hours a day for domestic and sexual abuse survivors and their children to provide safe and supportive services.

TRANSITIONAL HOUSING

Empowerment-based, safe and secure living environment that is affordable for domestic and sexual abuse survivors and their children.

SEXUAL ASSAULT RECOVERY SERVICES

Whether you are reporting to law enforcement or not, we provide confidential counseling, advocacy and forensic medical exams.

CONFIDENTIAL COUNSELING

Licensed therapists provide free, empowerment-based, trauma-informed counseling services to survivors of domestic and sexual abuse and their families through individual sessions and/or strength-based support groups.

PEACE CLUB

Teaches children ages 3-17 to identify abuse, build self-esteem, resolve conflicts peacefully, develop and use a safety plan if necessary and to break the silence about violence at home.

RAPE CARE UNIT

Provides for the immediate medical and forensic needs of rape victims while ensuring their privacy and professional care.

LEGAL ASSISTANCE

Referrals to a Betty Griffin Center attorney are made on a case-by-case basis for legal representation through the injunction process.

COURT ADVOCACY

Staff and volunteers are available to assist with applying for an Injunction for Protection, court appearance, personal advocacy, domestic violence and sexual assault advocacy and referrals.

COMMUNITY/ PROFESSIONAL EDUCATION

We offer professional trainings in the community and schools on prevention and the dynamics of domestic and sexual abuse including Green Dot bystander intervention strategies at St. Johns River State College.

CHILD WELFARE

Co-located domestic violence advocates, including batterer's accountability specialist, who are consultants to the child welfare staff and community partners to assist survivors of domestic violence and their families.

THRIFT STORES

By shopping at and/or donating to the thrift stores, you directly support the program and services while providing survivors the opportunity to shop, using gift certificates for the items needed to rebuild their lives.

All Betty Griffin Center Services are free and available for women, men and children.
